

MESSAGE FROM THE TEACHERS

We would like to extend a warm welcome to new members and a warm welcome back to returning members! We are excited for the upcoming school year and have been hard at work planning and preparing.

September is a time for new beginnings and changes which are exciting but may also be challenging. We want to ensure that your child feels secure in his/her transition from home to school. We have found that having a family photo close at hand provides

comfort while children are in our program. **Please send a family photo with your child that we can laminate and keep at school.** Not only will the photo provide a connection to home for your child, but for us as well as we get to know your family.

Follow the link below for some tips about how you and your family can get ready for preschool.

<https://www.zerotothree.org/resources/78-preschool-prep-how-to-prepare-your-toddler-for-preschool>

Should you have any questions regarding our program please ask. We are happy to connect with you by phone, email or in person.

We are eager to begin this new journey with you and your family. We look forward to working, learning and playing together!

Cooperatively yours,

Teacher Kelly and Teacher Marci

SUMMER NEWS

In the Spring, some families "wished" for a mud kitchen for the children in our program. We are happy to share that we were able to add a mud kitchen to the playground over the summer. The entire kitchen is built of re-purposed and recycled materials. A big thank you to Kelly, Mark and Adam Velle for their hard work and creativity on this project. Thank you so much for being so thoughtful and kind in putting so much of your time and effort into making this wonderful mud kitchen. We love it and the children will also be thrilled and excited to play with it in the playground when school starts.

MESSAGE FROM THE PRESIDENT

Dear Families,

Welcome to Lakeshore Co-operative Nursery School. My name is Sana Adeel and I am the new President for Lakeshore Co-operative Nursery 2018-2019. I have been attached with LCNS for nearly four years now, with two boys being in it year after year. My experience with LCNS has been great and is very close to my heart. As LCNS is a co-op, parent participation is highly encouraged as it leads to a positive relationship with the school. I am sure having the support of the parents will

definitely make this school year exciting as well as a success.

I am delighted that you have chosen and trusted us for taking care of your child. It gives me immense pleasure to be the president this year. I will make sure we build on a positive relationship and atmosphere for both your child and you. I am so thrilled and excited for the new session to begin and am eagerly waiting to meet you all on the first day and to getting to know you and your child. I promise this year is going to be fun and full of lots of exciting activities.

I extend a warm welcome to the new parents and the returning parents. Looking forward to a lovely year at Lakeshore Co-operative Nursery School.

Hoping to see you all very soon!

Sana Adeel, LCNS President 2018-2019

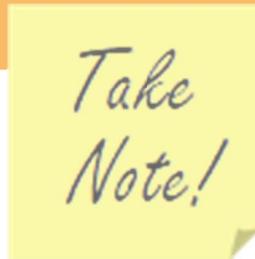

Clean Out Your Child's Cubby

Please clean out your child's cubby at the end of the class and bring home their craft bag as the cubbies are used by more than one child through the week. Indoor shoes can be stored in the bins provided.

Clothes for Bathroom Use

Please send your child in clothes that are easy to get on and off in the bathroom, especially for those that are using the toilet themselves.

Child Absences

Please make sure to call the school and/or email the teachers if your child will be away for any reason.

The logo features a white circular arrow pointing clockwise on a yellow background. To the right of the arrow, the word "ONGOING" is written in orange, uppercase letters, and "Fundraisers" is written in a larger, bold, orange font below it.

Did you know there are a number of ongoing fundraising campaigns during the 2018-19 year?

Perhaps these are places you already shop at, but did you know a portion of your purchase could be going to our school? Mention LCNS or select our name from the list of schools and charities in their fundraising tab or when you go to checkout. Thanks for supporting our school!!

Looking for a new home for your gently used items? Consider donating your items to our school by consignment at The Children's Marketplace under the Lakeshore Cooperative Nursery School account. Sorry, since there is no way to track your donations, we cannot credit your fundraising deposit, but

We thank you for helping our school in this way!

Did you know you can now order your Scholastic Books *online*?? Instructions on the parent's portion of the Scholastic website will guide you through setting up an account and placing an order. Lakeshore Co-Op is the 'school' to search for and Kelly Anne Velle is the teacher to 'connect' with. Happy reading! 😊
